

Kamloops Climate Action Grant

The City of Kamloops is committed to helping citizens make sustainable choices and work collaboratively to support a climate resilient future. The Kamloops Climate Action Grant program aims to enable residents, non-profit organizations, and charities to undertake community-based climate action focused projects that will help advance priority actions in the [Community Climate Action Plan](#).

Who Can Apply

Eligible groups include registered non-profit societies, charities, community associations, youth groups, and school/parent associations. Organizations must be Kamloops based and adhere to not-for-profit policies and practices.

Available Funding

The program's overall budget is \$20,000. Approved projects will receive between \$500 and \$2,000 in funding. Funded projects must be completed within a year of approval.

Recipients are required to complete a project report using a template provided.

Project Eligibility

Eligible applicants are encouraged to propose creative, equitable, and community-driven projects that have the potential to advance one or more of the following objectives:

- Provides a direct benefit to the Kamloops community, urban environment, and/or ecosystem
- Supports the implementation of the Community Climate Action Plan
- Enhances community resilience to climate change and/or reduces greenhouse gas emissions
- Fosters neighbourhood pride and/or community wellness
- Respects the principles of equity and climate justice

Ineligible Projects and Expenditures

The following are ineligible for funding:

- Direct financial assistance to individuals or groups
- Project applications from for-profit groups, government agencies, institutions, or organizations with political affiliations
- Operating costs/salaries not directly linked to the awarded project
- Funding for alcohol, tobacco, or gambling expenses
- Expenditures incurred prior to receiving formal project approval
