The information in this calendar is accurate at the time of printing. If the solid waste collection schedules change, the most up-to-date versions will be on [Kamloops.ca/CollectionSchedules](https://kamloops.ca/CollectionSchedules), or in the Waste Wise app ([Kamloops.ca/WasteWise](https://kamloops.ca/WasteWise)).

Established in 1996, Kenna Cartwright Park encompasses almost 800 hectares of Mount Dufferin. Over 55 kilometers of nature trails meander through the park.

In fall 2024, the City embarked on an update to the Kamloops Parks Plan, a 10-year document that guides decisions related to parkland, park development, outdoor recreation, trails, and park management. The process has involved extensive engagement with partners and residents to ensure that the plan reflects the goals and aspirations of a wide range of citizens. Learn more at LetsTalk.Kamloops.ca/ParksPlan.

Juniper West Park offers breathtaking views of the city looking west towards Kamloops Lake. Find paths and trails connecting Juniper Ridge, Rose Hill, Valleyview, and beyond.

The City of Kamloops Parks division proudly maintains a complex network of first-class parks, trails, and amenities, including:

- 108 parks
- 82 sports fields
- 42 hard-surface courts
- 82kms of trails
- 4 water parks
- 1 wading pool
- 9 dog parks

In 2017, the City undertook a three-year project to reinstate the wetlands in Dufferin Park which highlight the restoration of historical wetlands in the area. Today, these wetlands are a favourite destination of bird watchers, thriving with wildlife, and complete with a boardwalk and viewing platform.

DID YOU KNOW?

The City's Parks crews work extensively on rehabilitation to parkland areas that have been disturbed by construction or other reasons with the goal to return areas to pre-disturbance states. Establishing a good restoration plan ahead of time that includes seeding mix varieties, a watering schedule, and a weed management plan, as well as monitoring the progress, are cornerstones to ensuring successful restoration in our parks and on our trails.

Located on the banks of the Thompson River just minutes from downtown, Riverside Park is where you can enjoy a picnic, stroll along the beach, or go for a swim. Bring the kids to the inclusive playground and accessible water park, enjoy lawn bowling, and stay for “Music in the Park” held nightly throughout the summer at the Rotary Bandshell.

Uji Gardens, located in Riverside Park, is named after our Sister City relationship with Uji City, formalized in 1990 by Mayor Phil Gaglardi. The purpose of the Sister City relationship is to promote cultural awareness, economic development, and tourism. Both cities support cultural exchange groups that have visited each city, often with a visit to City Hall and popular destinations in the area while getting a dose of Kamloops hospitality.

Find out more at Kamloops.ca/Uji.

McArthur Island Park is bustling with activity, boasting ball diamonds, soccer fields, tennis courts, disc golf, bike paths, an inclusive playground and a skate park, not to mention the Sport & Event Centre. The gardens and natural landscapes on the island attract a wealth of wildlife happily co-existing with our outdoor sport enthusiasts.

Each spring, while quantities last, the City opens the Tree Coupon program with an aim to support the City's goal of increasing our community's tree canopy to 20% from the current 15%, as identified in the Urban Forestry Management Strategy. The coupons allow residents a \$20 or \$50 discount, depending on the price of the tree.

To learn more, visit Kamloops.ca/Trees.

Kamloops is known as Canada's Tournament Capital and Albert McGowan Park offers an ideal place to watch a good ball game. This award-winning park includes ball diamonds, playground, pond, and a community centre. There is also a water park, washrooms, change rooms, and a fresh water fountain available.

The City of Kamloops has several cemeteries that it owns and operates, including two active use cemeteries (Hillside Cemetery and Pleasant Street Cemetery), as well as three historic cemeteries (Chinese Cemetery, Pioneer Cemetery, Old Men's Provincial Cemetery). Recently, the Mountain Vista Mausoleum was built to accommodate a growing need for burial options. To learn more, visit Kamloops.ca/Cemeteries.

✓ Accepted in Organics

All Food, Raw and Cooked

plate scrapings

fruits, vegetables

meat, bones, seafood, shells

eggs, shells

bread, grains

pastries

dairy products

cooking oils, fats

Food-Soiled Paper

greasy pizza boxes

napkins

coffee grounds, filters, tea bags

food scraps in newspaper

Yard Waste

- ✓ grass clippings, leaves, cones, needles, berries
- ✓ plants, tree fruits, flowers
- ✓ small branches, twigs, prunings cut to 30 cm long/2 cm diameter
- ✓ potting soil, untreated mulch
- ✓ hay, straw, coconut planter liners

Other

- ✓ bedding from small animal cages
- ✓ pet fur, hair, feathers
- ✓ pet food, treats
- ✓ wood shavings
- ✓ popsicle sticks, chopsticks, toothpicks, skewers

✗ Not Accepted

plastic bags, plates, cutlery

clothing, textiles

diapers, hygiene products

animal waste

- ✗ biodegradable or compostable plastic bags/plastics
- ✗ food or beverage packaging

- ✗ Styrofoam cups or containers
- ✗ twist ties, elastic bands
- ✗ rocks, dirt

✓ Accepted in Recycling

Place These Items Loose in Your Recycling Bin or Cart

cardboard boxes

magazines, catalogues

shredded paper (in paper bags)

household paper

plastic or paper containers and lids

foil wrap, trays, metal cans

paper bags

paper egg cartons

cartons for soup, cream, etc.

plastic garden pots, seedling trays

plastic bottles, jars, and jugs

aerosol cans (empty)

Other

- ✓ greeting cards
- ✓ paper gift wrap, and gift bags
- ✓ paper bags for flour, sugar
- ✓ paper carry-out beverage trays
- ✓ cores from paper towel and toilet tissue
- ✓ plastic tubs for yogurt, margarine,
- ✓ plastic pails less than 25 L for laundry detergent
- ✓ plastic packaging for toys, batteries, etc. (separate plastic from paper backing)
- ✓ spiral wound cans and lids for frozen juice concentrate, chips

✗ Not Accepted

Common Items Misplaced in Curbside Recycling

hard cover and soft cover books

clothing, textiles, fabric

Toys, games, plastic household items

scrap metal

- ✗ glass

- ✗ Styrofoam

- ✗ flexible plastics

✓ Accepted in Garbage

diapers and hygiene products

plastic squeeze tubes

heavily soiled textiles

broken glass and ceramics

✗ Not Accepted

These Items Can Go to a Recycling Drop-Off Site

See Recycling Drop-off Information page in this guide for disposal options or use the Waste Wizard in the Waste Wise Kamloops app to look up where to drop off hundreds of items.

hazardous waste

tires, oils, filters

appliances, electronics

wood

batteries

paint

medications

foam packaging

glass

flexible plastics

hard cover and soft cover books

scrap metal

cardboard

clothing, textiles, fabric

light bulbs

Styrofoam containers, trays

These Items Can Be Placed in the Organics Cart

yard waste

food scraps

paper towel, tissue, napkins

greasy pizza boxes

For a full list of what's accepted in organics, visit Kamloops.ca/Organics.

For a full list of what's accepted in recycling, visit Kamloops.ca/ResidentialRecycling.

For a full list of what's accepted in garbage, visit Kamloops.ca/ResidentialGarbage.

Help Us Serve You Better

Place containers at the curb by 7:00 am on collection day.

During Bear Smart season (Apr 1–Nov 30), set containers out after 4:00 am and properly manage bear attractants (Bylaw No. 40-67).

Container lids must be completely closed for pickup.

Break boxes into newspaper-sized pieces so they can fall loosely from containers into collection trucks.

Containers must be kept clean.

Secure all containers on private property on non-collection days.

Place containers in a safe location for collection, away from overhead obstacles (trees, basketball hoops, balconies), fences, and parked vehicles.

In the winter, place containers on the road side of snow piles and windrows.

Help improve collection efficiency. Set garbage and recycling containers out for collection when they are at least half full.

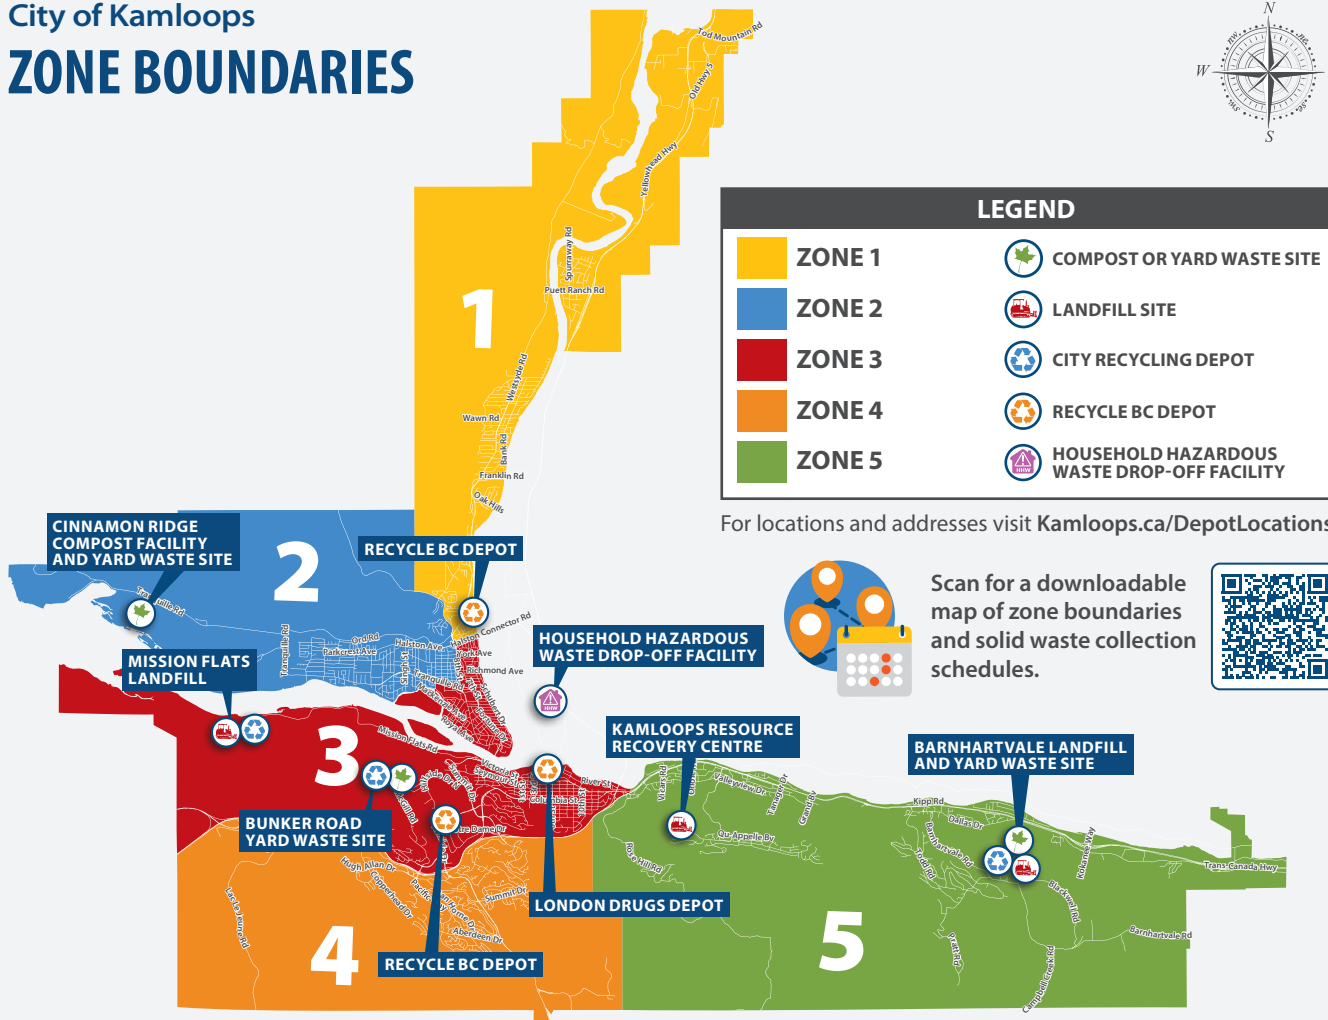

Place organics cart out every collection day, no matter the amount of material.

Moving?

Containers are registered with the property address, so please do not take containers with you when you move. Container change requests can only be made by registered homeowners by calling 250-828-3461.

City of Kamloops ZONE BOUNDARIES

2025 SOLID WASTE COLLECTION SCHEDULE

Garbage and recycling are collected every other week on an alternating basis. Organics is collected weekly.

Find your zone's full 2025 collection schedule at [Kamloops.ca/CollectionSchedules](https://www.kamloops.ca/CollectionSchedules) or on the Waste Wise app.

Important Information

Bear-Resistant Solid Waste Carts

- Optional program launching in 2025
 - Available for garbage and organics carts
 - \$20 more per cart per year
- Learn more at [Kamloops.ca/BearSmart](https://www.kamloops.ca/BearSmart)

Dual Pass Collection

The City began a dual pass system in 2023. In dual pass collection, one truck collects one type of material and a second truck collects a different type of material, as opposed to a single truck collecting two types of material separated with a divider.

Your organics and recycling or garbage will be collected on the same day (see your zone's collection schedule), but they may be collected at different times.

Waste may not be collected if:

- material is not contained and the lid is not closed
- carts are inaccessible or spaced improperly
- carts contain unaccepted material

Carts MUST be placed out by 7:00 am on collection day. Operators will not return to pick up carts not placed at the curb on time.

What? Where? When? Waste Wise.

Never miss a collection day! Download the free Waste Wise Kamloops app and set up collection notifications.

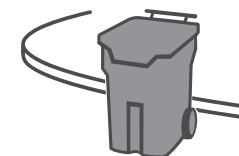

Take the guesswork out of recycling! Use the Waste Wizard in the Waste Wise app to look up where hundreds of items go and whether they belong in the recycling, organics, or garbage cart or are accepted at a specified recycling depot.

Proper Cart Placement

Park It

Wheels against the curb or just off the roadway.

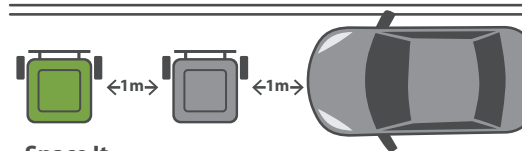

HOUSE

STREET

Point It

Arrows should point to centre of road.

Space It

Give at least an arm's length distance on all sides.

To report an issue with your carts, call Civic Operations at 250-828-3461.

Recycling Drop-off Information

The Rivers Trail is a network of 40km of trails connecting Kamloops' downtown and North Shore along the North and South Thompson Rivers. Frequented by walkers, runners, cyclists, roller bladers, four-legged friends, and the like, the Rivers Trail network is mostly flat with both paved and unpaved sections of trail. The paved sections are accessible year-round as the City of Kamloops maintains and clears the snow during winter months.

Consider adopting a road or trail! The Adopt-A-Road/Adopt-A-Trail program facilitates community enhancement by providing organizations, clubs, and citizens the opportunity to assist the City in keeping our community beautiful and helping the environment by volunteering to pick up litter and debris along street frontages and nature park trails.

Find out how to get involved at Kamloops.ca/AdoptARoad.

The Kamloops Bike Ranch is a 26-hectare park located in Juniper Ridge and includes a diverse set of trails for beginners to pro level riders, stadium lights, a jump park, skills area, and the newly added all-wheels pump track facility, made possible by community partners and the Province of BC's Destination Development Fund.

As Canada's Tournament Capital, our parks and sports fields are home to a wide array of City-led and City-sponsored events and tournaments throughout the year, whether it be a slo-pitch tournament at McArthur Island Park or a soccer championship at Hillside Stadium. In 2024, our Parks crews readied our fields to accommodate a total of 136 tournaments, which is an increase from 2023, and a number we are expected to surpass in 2025.

Learn more about our stellar parks or fields by visiting Kamloops.ca/Facilities.

McDonald Park is a community hub on the North Shore. The park features a small bandshell and has been home to the Tapestry Festival as well as its own limited 'Music in the Park' showcases. There is a seasonal water park for the kids, washrooms, and a fresh water fountain.

With nine dog parks available for your use across the city, there is no lack of opportunity to take Fido for some exercise. A reminder that dogs are not permitted near playgrounds, picnic areas, wading pools, water parks, schoolyards, or playing fields.

Find on-leash and off-leash parks and beaches at Kamloops.ca/DogParks.

Peterson Creek Park is a great family hiking and picnicing area located just off Columbia Street, near 6th Avenue. There are plenty of grassy areas, picnic tables, and scenic hiking trails. The park is adjacent to a 1.7-kilometre paved multi-use path called the Xget'tem' Trail ("deep valley" in Secwepemctsin). It connects pedestrians and cyclists from Sahali to downtown.

Urban trees within Kamloops parks, trails, and in other areas, provide social, health, environmental, and economic benefits, from removing atmospheric carbon dioxide and absorbing air pollutants, to reducing energy consumption, and increasing property values. Without a healthy urban forest, Kamloops would not achieve its sustainable goals of environmental integrity, social well-being, and economic vibrancy.

Learn more at Kamloops.ca/Trees.

Fulton Field Park, named after decorated World War II veteran John Fulton killed in action in 1942, also pays tribute to fallen Royal Canadian Air Force Captain Jenn Casey, with an awe-inspiring 1:1 ratio memorial of a Royal Canadian Air Force CT-114 Tutor Snowbird.

During the winter months, West Highlands Park boasts a 1km cross-country ski loop that circles the soccer fields and community centre. The trail is maintained by Parks personnel using specialty track-setting equipment for classic or skate-style skiing. The unsupervised trail is open seven days a week, provided there is sufficient snow to use it safely.

Discover this gem at Kamloops.ca/WestHighlandsPark.

The information in this calendar is accurate at the time of printing. If the solid waste collection schedules change, the most up-to-date versions will be on [Kamloops.ca/CollectionSchedules](https://kamloops.ca/CollectionSchedules), or in the Waste Wise app ([Kamloops.ca/WasteWise](https://kamloops.ca/WasteWise)).

Travel to the past with a visit to Truck Chilling Park and find a 1947 Chevrolet pickup truck, a 1949 Federal truck, and a road grader that was purchased by the City in 1928. All three pieces of vintage equipment feature beautiful floral displays that change by the season.

The City's Parks crew clears snow from all sidewalks adjacent to City-owned properties, such as community centres, swimming pools, arenas, parking lots, parkades, pedestrian overpasses, and at select wheelchair crossing ramps following any snow event of 2.5 cm or more. Everything you need to know about snow can be found at [Kamloops.ca/Snow](https://kamloops.ca/Snow).

How to Get in Touch

Do you have a question, concern, or comment about something but aren't sure who to contact? We have different avenues for discussing different issues.

Report an Issue

See a pothole or a broken street light? Report it by:

- calling 250-828-3461
- emailing civicoperations@kamloops.ca
- using the free **myKamloops™** App

Connect with Community Services

Have a concern regarding a bylaw infraction?

Register a complaint by:

- calling 250-828-3409
- emailing communityservices@kamloops.ca

Talk to Council

Wish to discuss an idea with a City Councillor? Learn more about municipal governance and how to get in touch at Kamloops.ca/Council.

Engage in a Project

Learn more about City initiatives that are open for feedback, consultation, and/or involvement at LetsTalk.Kamloops.ca.

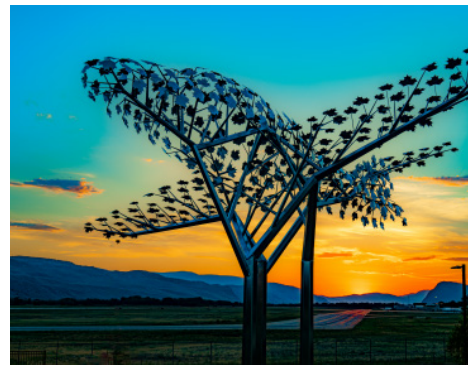

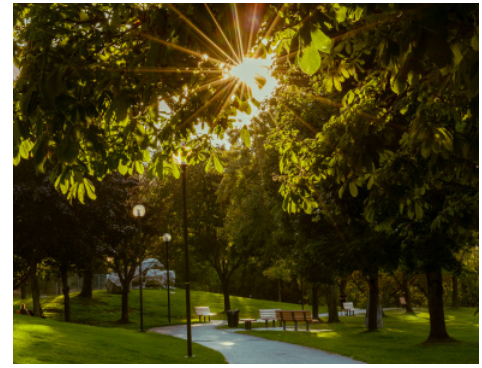

Let's Talk KAMLOOPS

SHARE YOUR VOICE. SHAPE OUR CITY.

Let's Talk Kamloops is the City's online engagement site where you can contribute your ideas and feedback on city matters.
